

Chapter 3

The First Principle: Desire (Rising Action)

Created by Scenory

A man with long brown hair and a beard is sitting at a desk in a dimly lit room. He is wearing a blue hoodie over a grey t-shirt. He is looking directly at the camera with a thoughtful expression. A desk lamp is visible on the left, casting a warm glow. There are papers and a pen on the desk in front of him.

What do I **really** want? It's more than just money...but what is it?

**Another failed venture.
Another dream crushed.
Will I ever succeed?**

**The weight of their
expectations...
the constant worry
about making
ends meet.**

A man with dark hair, a beard, and blue eyes is looking directly at the camera. He is wearing a grey t-shirt under a dark blue zip-up hoodie and blue jeans. The image is framed by a shattered glass effect, with sharp, jagged lines of broken glass crisscrossing over him. The background is dark and out of focus.

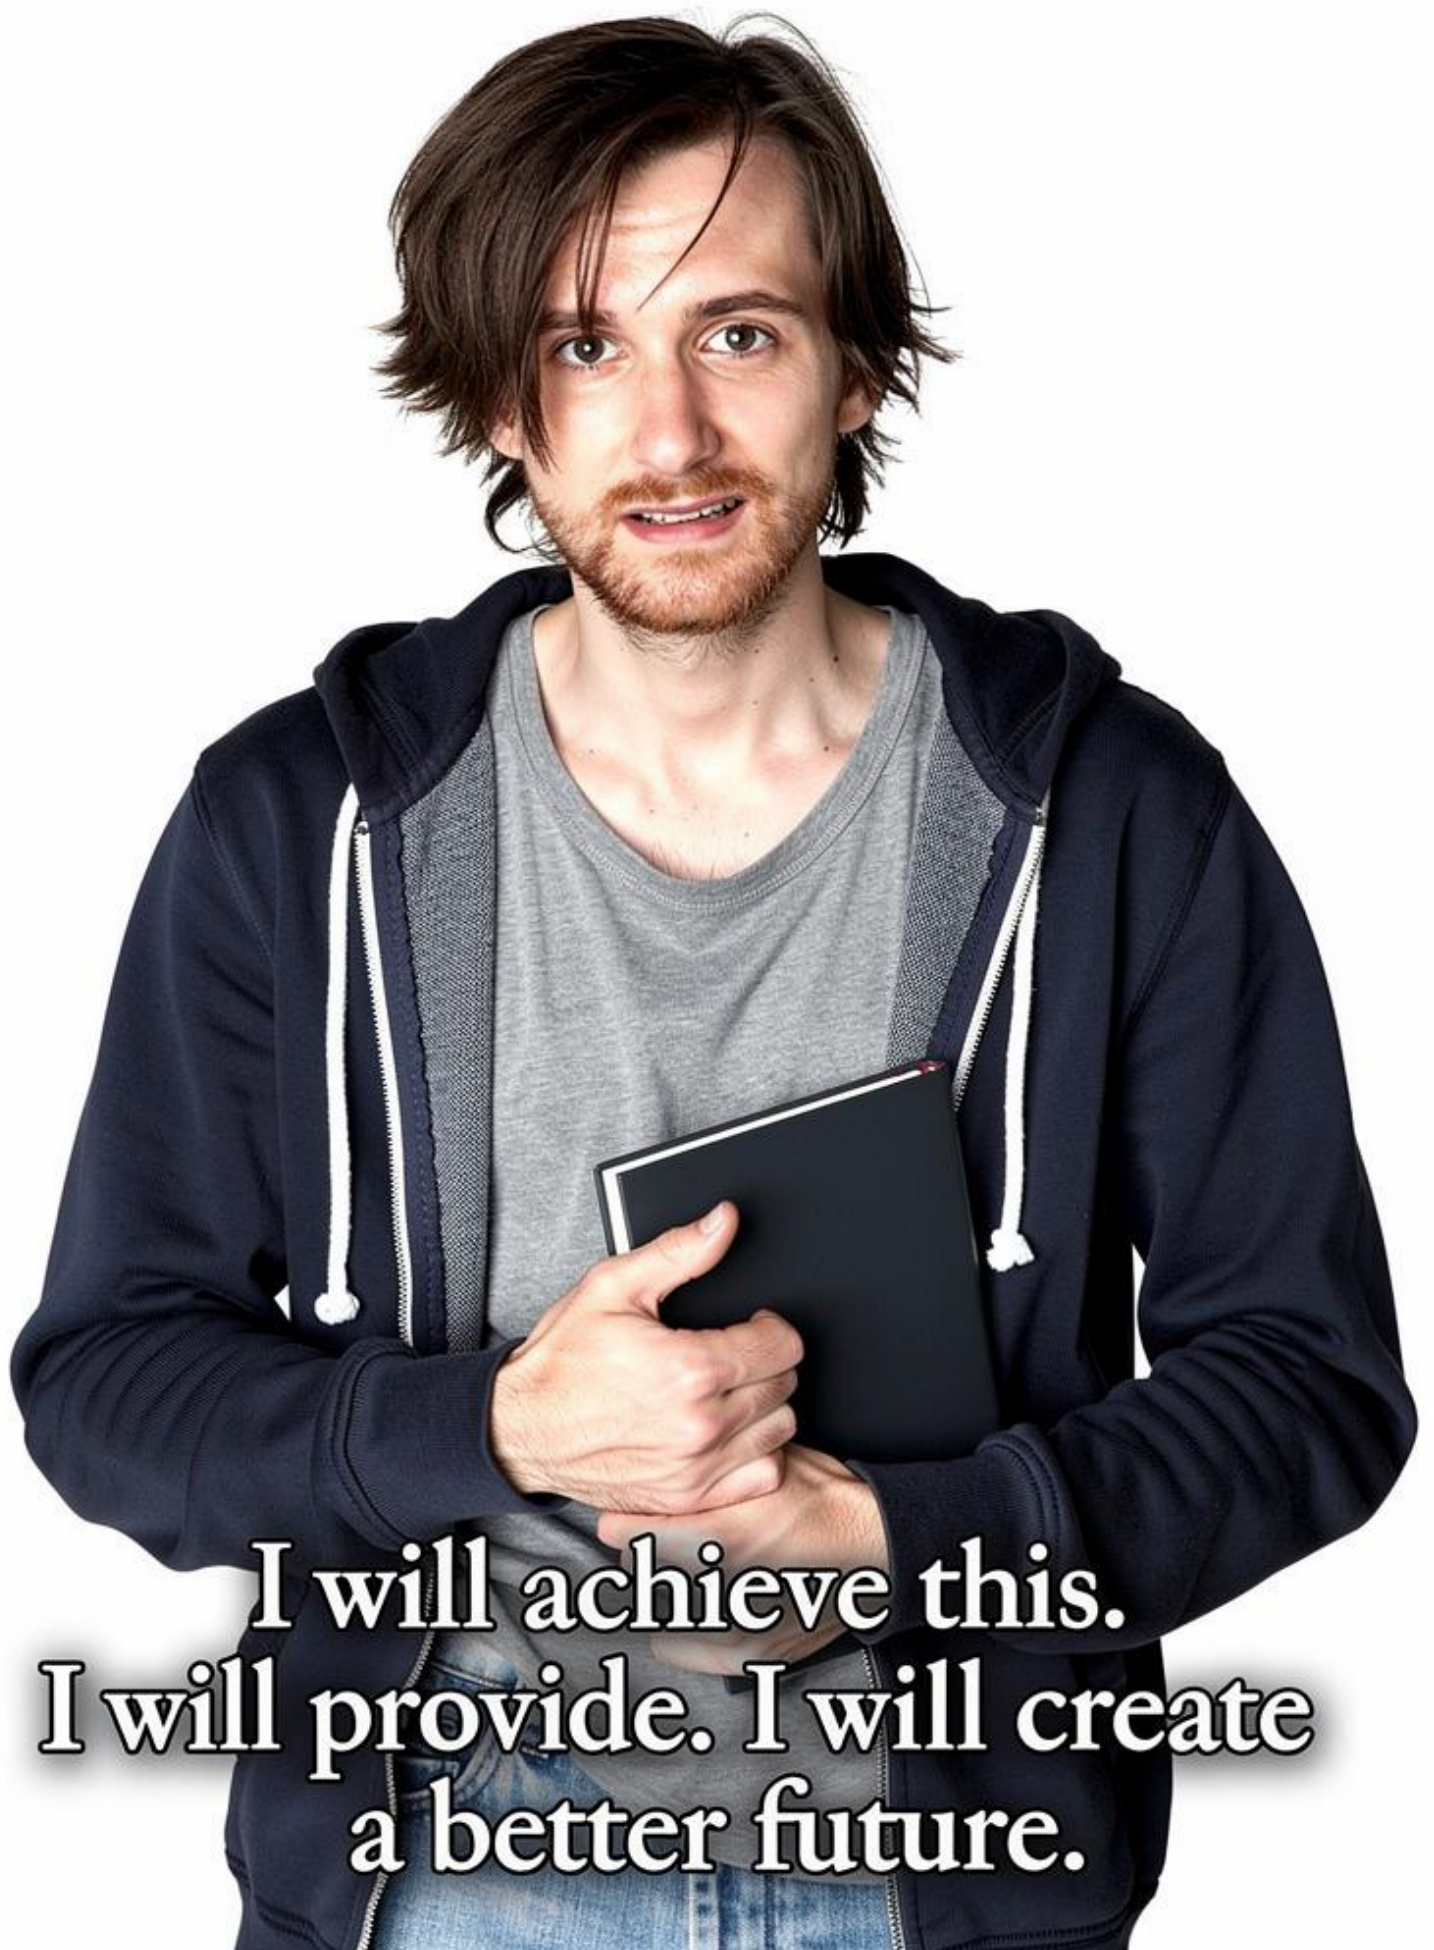

Am I good enough?
Smart enough?
Do I even deserve
success?

**Freedom... that's it.
Freedom from worry, from fear,
from limitations.**

Security for my family.
A safe haven. A future free
financial burden.

**I will achieve this.
I will provide. I will create
a better future.**
