Chapter 4: The Second Principle: Faith (Rising Action)

Created by Scenory

**I will achieve this.
I will provide. I will create
a better future.**

Security for my family.
A safe haven. A future free
financial burden.

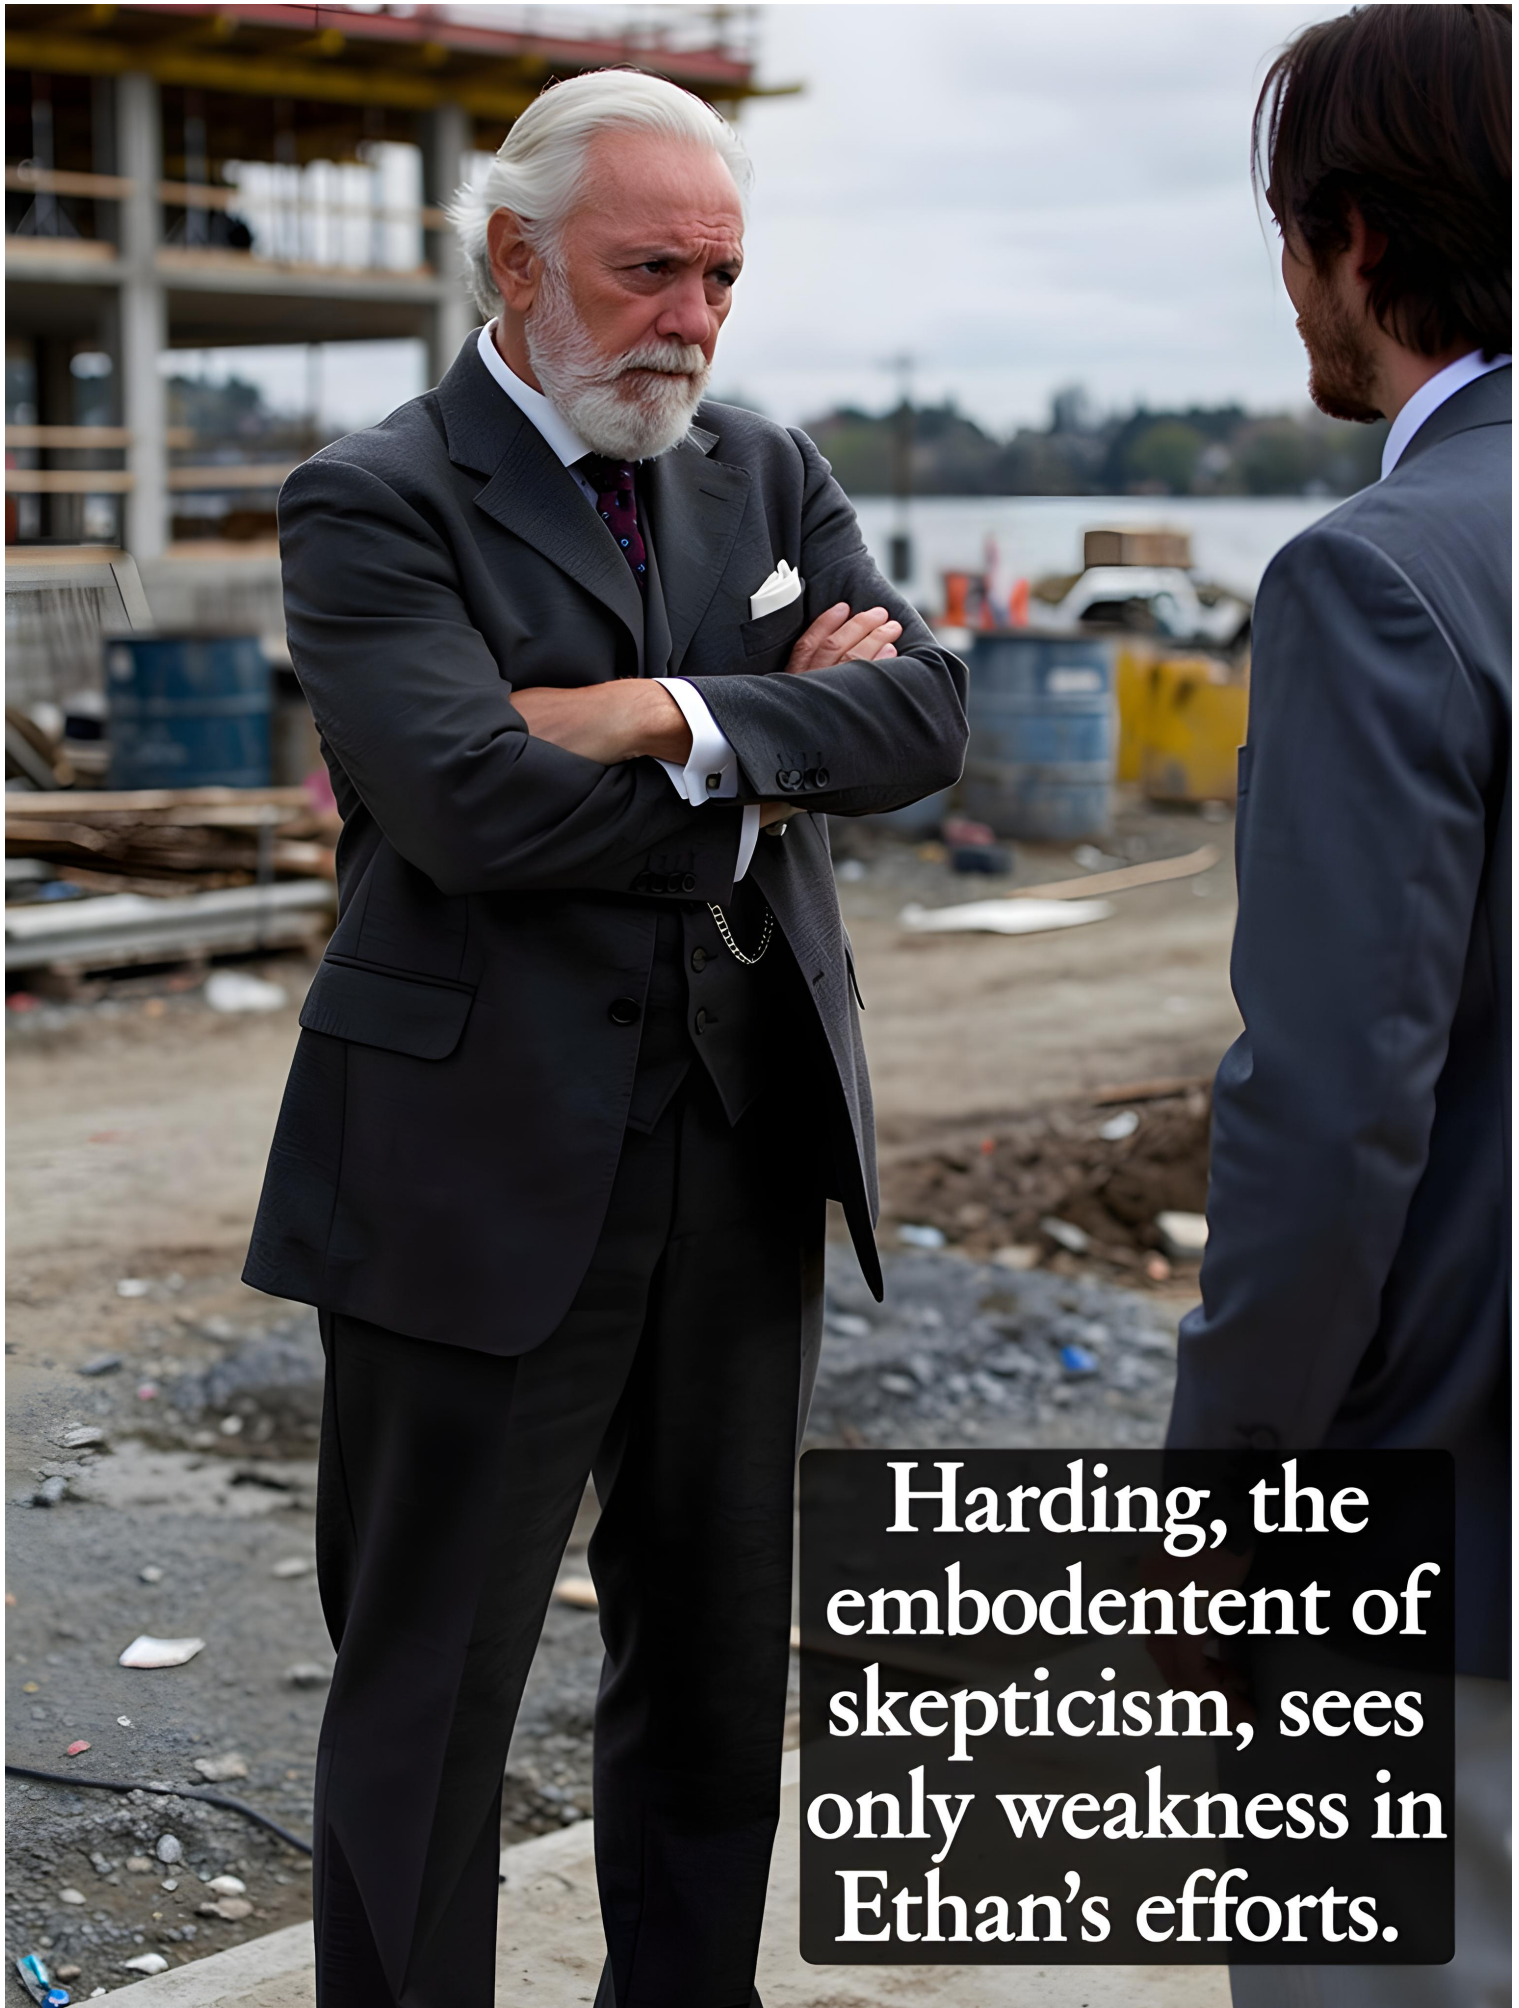

Doubt whispers, but a flicker of defiance
ignites within Ethan's soul.

You'll never make anything of yourself, kid. You're not out for this.

Harding's words cut deep, fueling Ethan's self-doubt and testing his resolve.

Harding, the embodiment of skepticism, sees only weakness in Ethan's efforts.

Each lift is a battle
against doubt,
a physical
manifestation
of his inner turmoil.

Ethan's new reality: a brutal test of will and a fary cry his dreams.
